About This Product

The Ventec 100 Series Thermostatic and Rain Controller is a stylish, functional and user-friendly control panel for manual or automatic control of windows or roof vents. The flush or surface mounted, weather responsive control system, features an external Rain Sensor and a built-in Temperature Sensor. To avoid unnecessary opening/closing, there is a built-in 5-minute delay (indicated by a red LED) between the heated Rain Sensor drying, and the unit becoming fully operational.
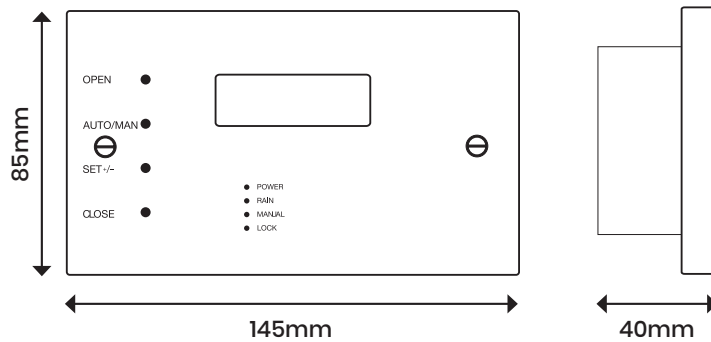

Product Highlights

- Pre-set for easy installation and set-up
- Separate user and installer menus
- 7-day timer mode (requires additional equipment)
- Detachable Rain Sensor for easy cleaning
- Multiple zone control for larger projects
- BMS input

Suitable For

Dimensions (standard sizes)

LOCK

Rain Sensor (included)

67mm
43mm
25mm

External Temperature Sensor (option)

70mm
40mm
28mm

Technical Data

	Ventec 100 SERIES TRC
Operating Voltage	230Vac
Output Current	5 amps (standard), panel upgradable up to 10 amps
Number Of Zones	1
Programmable Temperature Range	-19°C to +60°C
Colour Options	White – or metal fascia upgrades in Brushed Steel, Black Nickel, Brass
Overall Dimensions	145mm (W) x 85mm (H) x 40mm (D) Fits 2-gang steel box (50mm deep)
External Temperature Sensor Option	Yes
External Temperature Sensor Option No. Of Cable Cores	2 Core, shielded
Rain Sensor No. Of Cable Cores	4 Core + Earth
Mounting Options	Flush or Surface
Weight	1.9kg

Metal Fascia Upgrades

BRUSHED STEEL

BLACK NICKEL

BRASS

Upgrade Options

- Metal fascias – brushed steel, black nickel or brass
- Expandable panel output up to 10 amps
- 24Vdc or 110Vac options also available
- An optional external temperature sensor can be positioned up to 30m from the control panel

Product Codes

Control Panel with Internal Temperature Sensor and Rain Sensor
White (standard)   CONA-100-PINS-WH02

As above with metal fascia
Brushed Steel   CONA-100-MINF-BS02
Black Nickel   CONA-100-MINF-BN02
Brass   CONA-100-MINF-BR02

Accessory Codes

Rain Sensor with 12m Cable (included)   CXNA-100-T/RA-0012
External Temperature Sensor (optional)   CXNA-100-T/TS-0001

Rain Sensor (included)   **External Temperature Sensor (optional)**
